\*Note that this form is just an example and may not necessarily meet the requirements of the Responsible Regulatory Official or the needs of the producer.

Development of these poultry biosecurity resources was led by Iowa State University, and involved collaboration between the poultry industry, state and federal government officials, and academia. This material was made possible, in part, by a Cooperative Agreement from the <u>United States Department of Agriculture's</u> <u>Animal and Plant Health Inspection Service (APHIS)</u>. It may not necessarily express APHIS' views.
